DEPARTMENT OF COMMUNITY
DEVELOPMENT

The Department of Community Development – Abu Dhabi plays a pivotal role in regulating and developing the social sector in the Emirate through the establishment of legislative and regulatory frameworks and the oversight of Public Benefit Entities. This ensures the governance of their operations, enhances their societal impact, and achieves sustainability and compliance with approved best practices.

In line with its regulatory responsibilities, the Department undertakes the licensing and supervision of Public Benefit Entities, regulates their activities, and provides a supportive environment that enables them to effectively and transparently fulfill their community mission, in alignment with the priorities of the Abu Dhabi Government in strengthening social cohesion and promoting sustainable social development.

Within this context, the table below sets out the total number of licenses issued to Public Benefit Entities, reflecting the size of the sector, the diversity of its fields of operation, and the Department’s ongoing efforts to regulate and empower it in accordance with the approved legal and regulatory frameworks.
